

# SPARK Summer Reading Program Summer 2011

## SPARK Tally Sheet

**Directions:**

For each 15 minutes of reading or math you do, color in one circle. Start at the top with 1 hour and strive to hit your goal! For every 5 hours of reading you do, you will earn a raffle ticket (and a free space!).

In the fall, your raffle tickets will be put in the school-wide raffle for a chance to win great prizes at the SPARK Day Assembly.

Good luck and happy reading!
